## Senior Project Fundraiser

Greetings! My name is **Rebecca Muthler**, and I am a Central Mountain High School senior. I previously attended LHCS from kindergarten through 8<sup>th</sup> grade, and I would now like to give back to the school for all of the wonderful years of learning they gave me. I will be holding a fundraiser in which all of the profits will go towards helping the Catholic School as needed.

**Saturday, November 19<sup>th</sup> and Sunday, November 20<sup>th</sup>, I will be holding a silent basket auction as well as a bake sale before/after the weekend Masses.** The bake sale items will be on display for sale at the IC Mass, while both baskets and bake sale items will be on display at St. Agnes Masses.

Please consider attending one of these Masses in support of my senior project, and most importantly, in support of the Catholic School. Thank you for your generosity!

Sincerely,  
Rebecca Muthler

## COLLISION COURSE

A naval battleship was on maneuvers one stormy night when the lookout reported to the young captain that the present course was taking the ship directly toward a light straight ahead. To avoid a collision, the captain immediately signaled to the oncoming craft to alter its course 10 degrees. Within seconds the reply came back, "No, you adjust your course 10 degrees." The captain replied, "I am the captain of a battleship, change your course 10 degrees immediately." A quick response ensued, "I am a Seaman 2nd Class, you alter your course 10 degrees." The infuriated captain grabbed the signal light and messaged, "Alter course, a battleship is approaching." Back came the message, "Change course quickly, I am a lighthouse."

Lesson learned by the young captain? Never let your pride or righteousness interfere with good decision making.
